What you get out of it.

01 Community service hours.

Fair day is one morning, 9 to 12.

02 You are the expert in the room.

To a fourth grader, a high schooler
knows everything.

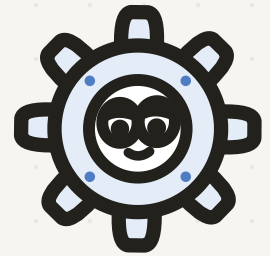

03 A kid leaves liking science.

That is the entire point of the fair.

Two ways in. Both codes
are on this board.

Help on fair day.

Sat, Sept 26 • 9 AM to 12 PM

- ✓ Set up and clean up
- ✓ Check families in
- ✓ Show visitors around

Counts as community service hours.
